

I am interested in receiving more information about the Suzuki 4WD Club

Name

Postal Address

.....

Phone (H).....

(W).....

Mobile

Email

Vehicle Type

I am considering applying for membership to the Club, and am happy for the Membership officer to contact me to discuss this

I would prefer not to be contacted regarding membership to the Club; I will make contact if I am interested in becoming a member in the future

Suzuki 4WD Club of

South Australia Inc

3 Burwood Road

Munno Para West S.A. 5115

Email: admin@suzukisa.com.au

Website: <http://suzukisa.com.au>

Contacts:

You don't have to own a Suzuki to be in our Club!

Size isn't everything!

The Suzuki 4WD Club of South Australia Inc. was first formed in 1977, and the first official meeting was in November of that year, when the very first committee was elected.

The first Suzukis to arrive in Australia in 1972 were two LJ20's. The next model, the LJ50, arrived in 1974. The invincible LJ50 proved to be a force to be reckoned with, and inspired the quote that you'll see on the Suzuki club logo— "Size isn't everything!"

1978 saw the introduction of the LJ80, while the 1980's saw the coming of the Suzuki Sierra 1000 Series 1 which was quickly followed by the 1300cc. 1988 saw the introduction of the first short wheel based Vitara 1600cc, then in 1991 the long wheel base Vitara hit the streets, followed by the long wheel base V6 Vitara.

While the Suzuki vehicles have changed considerably over the years, especially visually, all have provided the most fun you can experience four wheel driving, and have proved to be gutsy and reliable.

Suzuki's make up roughly 50% of the vehicles in the Suzuki 4WD Club, with the remainder consisting of Kia's, Pajero's, Prado's, *Isuzu's*, a Ford Ranger's and Jeeps; we're a pretty eclectic bunch, and we welcome new members, regardless of what type of 4WD vehicle you own!

Club members receive discounts and special offers on Parts, Accessories and servicing through Specified Dealers, on showing their Membership Cards.

Members can also receive discount on after-market parts and accessories

Club members enjoy many and varied activities. Some trips organised in the past have been:

- Camping at Yankalilla
- Camping in the Coorong
- Camping at Bendleby Ranges
- Camping at Argadells, Quorn
- Long weekend at Robe, with sand-hill and beach driving

There are also various day trips in the form of picnics, mystery drives, wine tastings and progressive dinners

The Club holds its General Meetings on the Third Monday of each month (except when there is a Public Holiday).

Meetings are held at the National Women's Association Hall 95 South Terrace Adelaide.

Meeting start at 7:30pm

Club Objectives

To promote friendship and courtesy on the road through social gatherings, touring, and in competition between Club Members

To encourage social activities and club functions

To conduct meetings and classes whereby members may obtain knowledge enabling them to become proficient in the maintenance, care and handling of their vehicle

To promote and foster the activity of four wheel driving, and to endeavour to establish the same in the eyes of various governments as a recognised and responsible pastime

To foster and promote anything else which will be of benefit to the Club
